

ACC National Capital Region 2018 Regional Supporter Opportunities In “Greater” Virginia

The ACC National Capital Region chapter’s service area reaches throughout the Commonwealth of Virginia. We have several hundred members at companies and non-profits outside the D.C. metro area – in what we refer to as “Greater” Virginia – including at all the major companies (e.g., Altria, Allianz Global, CarMax, Capital One, Dominion Resources, MeadWestvaco, Smithfield Foods, Amerigroup, and Dollar Tree). We regularly organize local CLE programming for these members.

ACC NCR is offering a limited number of opportunities for law firms to work with us to present a CLE in “Greater” (south/central) Virginia (e.g., Richmond/Glen Allen, Norfolk/Virginia Beach, etc.).

The Regional Supporters will receive:

- The opportunity to present a CLE program “live” to ACC NCR members at a location in the region.
 - Note: These programs will not be made available by web seminar by ACC NCR. However, the firm can simulcast the program to any of its offices in south/central Virginia to bring in other attendees.
- Invitation to send a representative to ACC NCR’s end-of-the-year sponsor appreciation breakfast or happy hour.
- Two tickets to the ACC NCR Corporate Counsel Awards Reception in 2018.

Cost: \$3,000 per program. (In addition, the firm will bear any costs associated with catering, producing program materials, or other direct program costs.)
